

ST. JAMES PARISH PUBLIC SCHOOL SYSTEM
M -M STUDENT TRANSFER REQUEST INFORMATION

M-M Transfer: The parent or legal guardian of any pupil attending a school in which his or her race is in the majority may request a transfer to another school in which the applicant's race is in the minority. Transportation will be provided for M-M transfers.

1. Check your local paper and the St. James Parish School District's website for the deadline for parents/legal guardians to request student transfers from one school to another for the subsequent school year.
2. With M-M transfers, students need not submit new transfer requests each year but will be allowed to remain at the schools to which they transferred until they matriculate from those schools or request returns to their home schools.
3. Application packets are available at the School Board Office, 1876 W. Main St., Lutcher, on the School System website, or at the school site, and must be received at the School Board Office no later than the deadline in local paper and website.
4. Strict adherence to guidelines will be enforced. Only critical situations or circumstances beyond the control of parents/guardians will be considered after the deadline.
5. Parents/Guardians may call 225-258-4519 for more information.
